

HERON

Digital Education & Mathisis

PARTNER PROFILE · 2026

Looking for a Cyprus education partner?

HERON is a Cyprus-based non-profit education organisation actively seeking Erasmus+ and European project partnerships. We combine content development, teacher training, piloting, evaluation, dissemination and access to real teachers and learners.

Country	Organisation	OID	PIC	Cooperation
Cyprus	Non-profit NGO	E10189586	904235844	Since 2018

What HERON brings to a consortium

Content Development

Interactive resources, OERs, manuals, toolkits, publications and LMS/VLE content.

Teacher Training

AI, robotics, STEAM, coding, digital pedagogy, one-to-one computing and custom

Piloting & Evaluation

Access to teachers and learners for pilots, validation, feedback and educational

Dissemination

Workshops, science fairs, stakeholder events, teacher networks and museum-based

Why coordinators choose HERON

- Cyprus-based organisation with OID and PIC ready for European cooperation.
- Erasmus+ cooperation experience since 2018 and a 10-project European portfolio.
- Direct access to teachers and students for training, piloting and feedback.
- Cyprus Computer Museum as a non-formal environment for pilots, workshops and dissemination.
- Ability to move from concept and content production to training, implementation and stakeholder engagement.

Current European Projects

Evidence of practical consortium experience

Touching the Sky

2026-2029 2026-1-EL01-KA220-SCH-000469470

WP4 Inclusive Astronomy co-lead · teacher training · inclusive pilots

Back to BASIC

2026-2028 2026-1-NL01-KA210-SCH-000452459

15 learning activities · teacher support · Cyprus pilots · museum-based learning

Play To Learn

2026-2028 2026-1-EL01-KA210-SCH-000454100

OER and lesson resources · teacher training · student implementation

DART4HUMANITY

2024-2027 2024-1-ES01-KA220-HED-000252772

Project Partner · digital education, educator engagement and Cyprus outreach capacity

Typical roles HERON can take

Content / OER Partner

Design and production of interactive resources, manuals, toolkits and learning

Training Partner

Teacher capacity building, workshop design, delivery and implementation
